

Directory of Montana Schools

Welcome to the Directory of Montana Schools. This directory provides contact information for Montana's School Districts, Schools and staff such as Principals, Superintendents and others.

The directory listings are by county in alphabetical order. You can easily search the directory by using the search function of your PDF software. For most software, pressing ctrl or command + F will bring up the search function.

If you intend to print this document, please note it is approximately 300+ pages long! If you need the directory information for just a single county, we strongly recommend going [here](#) for the most up-to-date and accurate information.

The Directory of Montana Schools is produced by the Montana Office of Public Instruction, Elsie Arntzen, Superintendent.
